Docket No. A2011-53

**UNITED STATES POSTAL SERVICE NOTICE OF FILING
MEMO TO RECORD – [ERRATA]
(December 9, 2011)**

Yesterday, the Postal Service inadvertently filed a Memo to the Record without a notice pleading. Today, the Postal Service hereby gives notice of the filing of a Memo to the Record to clarify the administrative record supporting the Final Determination to Close the West Elkton, OH Post Office and Extend Service by Rural Route Service. The Memo to the Record clarifies the information in the administrative record concerning the locations at which the Final Determination was posted and the durations of the postings. The Memo to the Record also includes copies of the date stamped cover sheets for the copies of the Final Determination that were posted at both the Middleton and West Elkton Post Offices, as these cover sheets were not included in the administrative record. The Postal Service regrets any inconvenience, and respectfully submits that the filing of the Memo to the Record should not prejudice any party in this proceeding.

Respectfully submitted,

PRC Docket No. A2011-53

MEMO TO THE RECORD

SUBJECT: Clarification of Administrative Record: West Elkton,
Ohio Post Office

After review of the Administrative Record for the Discontinuance of the West Elkton, Ohio Post Office, the following information is provided to clarify certain factual statements.

1. Copies of the round date stamped cover sheets for the copies of the Final Determination that were posted at both the Middletown and West Elkton Post Offices are attached to this Memo to the Record. Although each specifies the date of removal as "09/13/2011," the copies of the Final Determination at the Middletown Post Office and at the West Elkton Post Office have not been removed, and have been continuously posted since September 12, 2011. They will remain continuously posted until the Postal Regulatory Commission has completed its review.

2. A concern has been raised as to whether the Proposal was posted at the Middletown Post Office and at the Somerville Post Office, as stated in the Final Determination, Item 47, at pg. 2, since other items in the Administrative Record (Item numbers 31, 37, 38, 40, and 48) refer only to the posting at the West Elkton Post Office. After further review, the following statement, which appears at page 2 of the Final Determination, and which is referenced at page 4 of the Postal Service Comments, is incorrect:

"The Proposal to close the West Elkton Post Office was posted with an invitation to comment at the West Elkton Post Office, Somerville Post Office, and Middletown Post Office . . ."

As clarification, the Proposal to close the West Elkton Post Office was posted at the West Elkton Post Office and at the Middletown Post Office, and was not posted at the Somerville Post Office.

3. Another concern related to the posting of the Proposal is round date stamped cover sheets from the Post Offices at which they were posted. The round date stamped cover sheet for the posting at the West Elkton Post Office is in the Administrative Record, Item 36, pgs. 2-3. The round date stamped

cover sheet for the posting at the Middleton Post Office was omitted from the Administrative Record, but is attached to this Memo to the Record. As stated in paragraph 2 of this Memo to the Record, the Proposal was not posted at the Somerville Post Office.

Respectfully submitted,
